

Payment Policy

It is our goal to provide you with the highest quality dental care while making your visit as comfortable as possible. To make sure this happens we know that we must make paying for your dental care comfortable too.

DENTAL INSURANCE

We are out-of-network with all insurance plans. As a courtesy, we will send your claim to the insurance company you have provided to us. It is our policy that the insurance company reimburses you according to your plan. Most insurance companies will not pay the office or provide us with any claim information due to being out-of-network. You, the patient, are responsible for following up on reimbursement of your dental visit. Upon your request, we will assist you with any information your insurance requires to pay your claim.

ESTIMATE OF TREATMENT (PREDETERMINATION)

Some dental insurances require us to submit an estimate of treatment for services over \$250 or more. It is the patient's responsibility to contact their carrier to determine if this is needed. We will be happy to submit at the patient's request.

ROUTINE CARE LESS THAN \$500.

Payment in full at the time of service. We accept cash, check or credit card. Visa, MasterCard, American Express and Discover.

TREATMENT OVER \$500.

Payment in full at the time of service by check or cash will receive 5% fee reduction. Arrangements when not paying at the time of service will be available through Care Credit. (3, 6 or 12 months, interest free) To apply, go to our website, click Payments and Apply Now. You may also request an application from our office.

Thank you for your loyalty and kind referrals of additional patients to us. We appreciate that you have chosen our office for your dental care.

Thank you,

Drs. Lee, Riley, Olbrys & Amorese
